Greetings,

Welcome to our 8th annual bull sale! What a wild ride the last 12 months the beef business has been. For the second year we are having our sale at the ranch, it allows us to showcase our cow herd and breeding program during the sale. Please come early or stay after for a cow tour. Many of the bull's mothers will be available for viewing. This is our best set of bulls ever top to bottom. Many of the bulls that stayed at home could have gone to Denver. Please take time to view the videos. There are many herd sire prospects.

Beef producers continue to be financially rewarded for quality and pounds. For this reason, every breeding decision we make is focused on our bull customers profitability. Our team has continued to cultivate relationships with several farmer feeders. These feeders want to purchase our customers Charolais - Cross feeder cattle at premium prices. Our bulls are genetically selected to produce calving ease, high vigor, and fault free offspring. Our cattle display eye appeal and exceptional performance in the feed lot.

We realize you have many choices when selecting beef genetics and the people you do business with. Our team wants to earn and keep your business. We believe you will be impressed with the quality, gentleness and sound structure of our bulls. Please allow us to demonstrate the level of customer service and dependable genetic performance our cattle and ranch are built upon.

WC Charolais strives to serve the commercial cowman with high quality bulls at affordable prices. Whether your budget is \$3,000, \$4,000 or more you can expect to find quality bulls in everyone's price point.

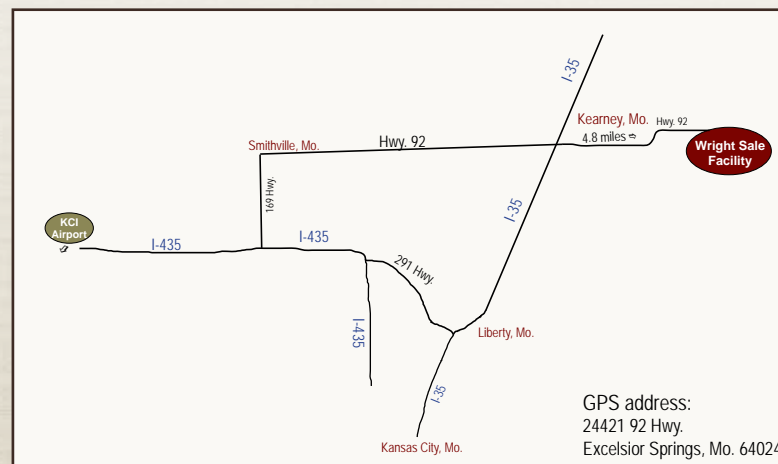

A special thanks to our hard working crew, Justin Patrick, Jake Heimer and Kale Kendrick. They work hard every day to help us succeed.

The entire staff and I appreciate your confidence and support of our program. Please join us March 14th for good times and good cattle.

Derry Wright

WC Doubletree x Clarice J139 Sons

WC Doubletree 2009 P

Without doubt, the next herd sire at Wright Charolais that you will be seeing used more and more not only in their herd, but throughout the United States! This member of the 2013 Denver Grand Champion Pen of Three Bulls, was one of the highly bid upon yearlings in the 2013 WC Bull Sale, when 2/3 interest sold to Pro-Char Charolais & Johnson Charolais in Canada for \$23,000. His outstanding dam #0058 did it again with her 2013 Full Metal Jacket bull calf, WC Desert Storm 3027, purchased by Hale Farms in the 2014 bull sale for \$9,000, after posting a 904 lbs. weaning weight to ratio 129. Also note that #0058's maternal granddam #7188 is Templeton's dam!

These will be the first sons of the powerful WC Doubletree 2009 to sell! Lot 1 may be the highlight of this set of E.T.'s, but all three are good and their full sisters look to be the best sire group of heifers in our replacement heifer pen. A flush recently sold in the Charolais in the Rockies Sale in Denver for \$9,000 in WC Doubletree's dam (pictured below).

JWK Clarice J139

Highly regarded as one of the premier donor dams of the breed! Ten sons averaged \$11,100 in last year's Wright Bull Sale. Only two daughters sold in the last Wright Female Sale; one for \$8,500 and half interest in another for \$25,000 to top the sale!

WC Praise 0058 P
Dam of Doubletree

Ledger x Clarice J139 Sons

This set of E.T.'s have created as much excitement with breeders that have been to the ranch and during the Pen Show in Denver. Their sire is the \$105,000 breed's highest selling bull in 2011 and now the most widely used A.I. sire in the breed. Their dam is Clarice J139, the number one donor in the Wright E.T. program. A full sister bred heifer WC Clarice 2533 topped the 2014 Wright Charolais Female Sale when one-half interest sold for \$25,000 to Maher Ranch in South Dakota. During last spring's WC Bull Sale, three full brothers to these bulls sold for \$8,000 to Oklahoma, \$9,000 to Texas and \$12,000 to Louisiana. Another full brother, WC Capital Gain 2220 ET sold in the 2013 WC Bull Sale to Southern Cattle Company for \$14,000!

Lot 4 & Lot 6-Selling 1/2 interest and buyer's choice of SPRING or FALL possession in EITHER bull! Once first bull is selected and breeding possession time chosen, then we will sell the other bull and the opposite possession time will be retained. So, if the spring possession is taken on the first bull sold, then only the fall possession will be sold in the remaining bull.

There is not a sire in the WC bull battery that excites Derry more! This great son of Ledger and the \$30,000 Clarice has captured many a heart. Ledger topped the Lindskov-Thiel Bull Sale and topped the entire breed bull sales in 2011 when he went through the ring at \$105,000. He is a 2015 AICA Sire Summary Multiple Trait Leader. Ten sons sold in the 2014 WC Bull Sale for a \$7,875 average. Presented with Cody Cattle Co.

WC Up The Limit 1128 P ET

Up The Limit has quickly become a "go to" herd sire at Wright Charolais. A one-half interest in him sold in the 2012 Wright Charolais Bull Sale for \$27,500. His dam is the famous donor at WC SCC Miss 3027, the dam of Rocketfuel. The Wright's first few bull calves sired by him sold this past spring, with 6 1/3 sons averaging \$11,810 with an average weaning weight ratio of 111.6! One son WC Sky's The Limit 3184 was the high selling bull of that sale at \$30,000.

The sons of this National Champion Bull will be a feature of the 2015 Wright Charolais Bull Sale. Templeton sold for \$38,000 in the spring of 2012 and in the early spring of 2013 was named the National Champion Bull at Fort Worth, Texas. His popularity with breeders has only gained momentum with each passing calf crop. Seven sons averaged \$10,920 in last year's first offering of his yearling sons and had an average weaning weight of 807 lbs. In 2014, only 4 open weaned heifers sired by him were offered at public auction and they averaged \$13,250!

Easy Queen Cow Family

In last year's bull sale catalog we saved a special section at the end of the yearling bulls to feature one of the newest editions to the Wright Charolais E.T. donors and that inclination has proven out to be very true! The Easy Queen 7067 cow and her daughters have done it again with the following bull calves that many breeders will be sorting through again with a keen eye. Don't forget the one member of this family that was missed during the catalog layout Lot 62, a full brother in blood to Lots 119 & 120.

WC Land Shark 3118 P

Land Shark is the very popular bull from the Denver Pen this past January 2014 and a son of Bud Heavy. Everybody had to get him up, when they came to the "Yards." He then sold in the WC Bull Sale for \$26,000 for 2/3rds interest to Wild Indian Acres, G4 Charolais, Hale Farms and Clear Creek Charolais in Missouri. His dam LT Easy Queen 7067 has quickly become a new addition to the Wright embryo program.

Selling 2/3 interest and full possession.

Wright Charolais only sold 1/2 interest and fall possession in this calving ease specialist in their sale last March. With his 65 pound birth weight, his -3.1 Birth EPD and his 10.7 Calving Ease EPD; it was a no brainer to use him on a set of yearling heifers. Patrick Maher and John Dady from

South Dakota and Pro Cattle **WC Total Rush 3044** from Iowa invested \$10,500 into one-half interest and the dividends are coming in.
